Welcome to our first catalog! As you may know, Wail Songs, while still in the publishing business, has sold its retail operation to PreKarious Enterprises. The first section of the catalog lists new titles since the last Wail Songs catalog was published. Following that is a list of things from that catalog which are now available from PreKarious. Wholesale orders should continue to be sent to Wail Songs. Please note that the above is a **CHANGE OF ADDRESS** and a new phone number for us.

## NEW FILK TAPES AND CD's

### Ancient Sky/The Toad $12.00
A tape from the UK featuring Talis Kimberley on one side; Zander Nyrond on the other. Songs include Pagan Angel, A Harp Strung With Wind, and Sam's Song.

### Asteroid Ore $12.00
Wail Songs con tape recorded at 1991 Marcon & Congenial. Performers include: Robin Nakkula, Steve Brust, Black Book Band, Barb Riedel, Carol Roper, Barry & Sally Childs-Helton, Mary Ellen Wessels, Ernie Clark, Bill Roper, Michael Longcor, Deirdre Murphy, Tom Smith and BJ Willinger. I particularly like this one, and the performance of Bold Marauder is worth the price by itself.

### Avalon Rising CD $15.00
Due June 1, this eponymous album from a Bay area band led by Kristoph Klover and Margaret Davis--both well known in the filk community--includes both filk and folk. Includes Black Davie's Ride, The Goddess Song, To the Sea, and The Great Selkie. I've heard some of the cuts and the Celtic harp, guitars, flute, bass, drums, synthesizer and vocals blend beautifully.

### Bigger on the Inside $12.00
Wail Songs con tape recorded at Consonance 1991. Performers include: Mara Brener, LA Filkharmonics, Windbourne, Barry Gold, Steve Savitzky, Jellicle Timewarp, Heather Rose Jones, Gytha North, Joey Shoji, Magic Fire, & Jordin Kare.

### Castles and Skyscrapers $12.00
This self published tape is from a Canadian group called Urban Tapestry, which includes Allison Durno, Jodi Krangle, and Debbie Ridpath Ohi. They do some very nice work and have a twisted sense of humor. How can you resist a tape with titles like My Jalapeno Man, Overdrawn Credit Card Blues, and Cuz He's a Guy?

### Crosstown Bus $16.00
Dandelion Digital **CD** recorded live at the 1993 BayCon. One of my favorite convention collections. Highly recommended. Performers include Cynthia McQuillin, Dr Jane Robinson, Heather Alexander, Annwn, Jordin Kare, Avalon, Heather Rose Jones, Kathy Mar, Sounds Like Fun, and N Strings Attached.

### Divine Intervention $12.00
Recorded & mastered at Air Craft Recording Studios; duplicated & distributed by Wail Songs. One of Julia Ecklar's most popular tapes is back in print!

### Domino Death $10.00
Dodeka Records tape. Tom Smith is back with even more strangeness. Favorites on this one include Sheep Marketing Ploy, Temperature of Revenge, and, of course, the title cut. Several serious songs as well. I thought Heat of the Blood particularly good.

## WOW! LOOK AT ALL THE NEAT NEW STUFF!!!!

### Filk from a Developing Country $12.00
Juliane Honisch. This first filk tape from Germany (in English) is billed as Vol 1 "Neofan". Much ST related material.

### Filk of Human Kindness $12.00
VLB tape from England. Zander Nyrond is featured and backed up by many of the other UK filkers. Songs include Rumour-Monger, Sir Jock of the Sword, and The Nyrond Song.

### First Contact Tape $10.00 CD call for price
Dodeka Records tape and CD. Not seen or heard by your humble correspondent, but the Black Book Band (composed of Barry & Sally Childs-Helton, Gwen Zak, Michael Kube-McDowell, and Mary Ellen Wessels) is excellent. Dodeka says that the tape will be out by May and the CD may be also.

### King of Filk $12.00
Self published tape from Bay Area filker Quentin Long. Songs include I Hate Little Fire-Lizards, The Bagpipe Who Wouldn't Say No, and Regency Cyberpunk.

### Larry Warner on Deck #11 $16.00
Dandelion Digital **CD**. Studio recording of Larry Warner singing ST & other tunes. Backup vocals from Kathy Mar, Cassi Mar, Nicky Mar, & Lola McCrary. Songs inlcude Holodeck Heaven, Another Time, Another Place, and Harry's Dilemma.

### Let's Have a Filksing $12.00
Wail Songs con tape recorded at 1992 FilkOntario. Performers include: Ceti Alpha, Carol Roper, Barb Riedel, Clif Flynt, Mitchell & TJ Burnside Clapp, Heather Borean, Catherine & Paul MacDonald, Kevin Davies, Joel Polowin, Vampire's Kitchen, Tom Smith, Allison Durno, Graham Leathers, Mark Bernstein, and Helva Peters.

### Made by Magic $16.00
Dandelion Digital **CD**. Kathy Mar & Zander Nyrond sing their material as well as tunes from Talis Kimberley, Steve Savitzky and Catherine Faber. Faber's song Acts of Creation is currently one of my very favorite songs. Other songs include Velvet, Mizpah, and John Silicon. Backup performers include Barry & Sally Childs-Helton, Bill Rintz, Mary "Folly" Smith, and Mary Ellen Wessels.

### Make Believe $12.00
Wail Songs tape recorded at 1991 FilkOntario. Performers include: Glenn Simser, Bill & Brenda Sutton, Paul& Catherine MacDonald, Stephanie Bedwell-Grime,.Clif Flynt,Steve & Ruth Simmons, Dave Clement, Mary Ellen Wessels, Heather Borean, &Duane Elms.

### Masquerading as Human $16.00
Dandelion Digital **CD**. Studio recording of the Duras Sisters (Elizabeth Burnham, Chris Dickenson, & Deborah Baudoin) singing assorted tunes in 3 part harmony.

### Mid-Life Crisis $11.00
Unlikely Publications tape. Mid-Life Crisis is AKA known as Cynthia McQuillin & Dr. Jane Robinson. Mostly humorous in nature, the tape bears the warning, "Some songs on this tape may not be suitable for general audiences."

### Mists of Memory $12.00
Wail Songs con tape, recorded live at the 1991 Worldcon in Chicago. Performers include: Barb Riedel, Carol Roper, Clif Flynt, Bill Sutton, Black Book Band, Randy Farran, Barry Gold, Kathy Mar, Nate Bucklin, Lee Billings, Graham Leathers, Tom Smith, Dave Clement, Paul MacDonald, Joey Shoji, Jordin Kare, Duane Elms, & Cacie Sears.

## WOW! LOOK AT ALL THE NEAT NEW STUFF!!!!

### North Coast Cabaret $12.00

Recorded live at Toronto Trek in 1994. As you would expect most, though not all, of the songs are Trek oriented. Performers include: Mary Ellen Wessels, Steve Macdonald, Urban Tapestry, Freddy Brown, Heather Borean, Juidith Hayman, Carolyn Brown, Mark Osier (whose Klingon Country Love has already achieved the status of, uh, legend?), Stephanie Bedwell-Grime, Karen Linsley, and Lloyd Landa.

### Not Forgotten $12.00

Wail Songs con tape recorded live at 1992 Consonance. Performers include: Steve Savitzky, N Strings Attached, Jordin Kare, Mike Whitaker, Jim Burrill, Brett Glass, Heather Rose Jones, Earl Jones, Cynthia McQuillin, Barry Gold, Linda von Braskat-Crowe, Jellicle Timewarp, Jane Robinson, Jane Mailander, Mark Bernstein, Margaret Davis, Kristoph Klover, Nick Smith, Tom Hubbard, Eloise Stewart, Jordin Kare, Kathy Mar, and Robert Coleman

### Our Fathers of Old $12.00

Random Factors tape. The most recent (1993) tape of Leslie Fish doing Kipling. Songs include: Female of the Species, harp song of the Dane women, A Servant When He Reigneth, and Jobson's Amen.

### OVFF the Wall $12.00

Wail Songs con tape recorded live at 1990 OVFF. Performers include: Mary Ellen Wessels, Barry & Sally Childs Helton, Mark Wise, Howard Hartzog, Barb Riedel, Carol Roper, Emory Churness, BJ Willinger, Susan Urban, Murray Porath, Tom Smith, Naomi Pardue, Mitchell & TJ Burnside Clapp, Robin Nakkula, Mike Stein, Henry Roberts, Jr., Lee Billings & Musical Chairs.

### Owling at the Moon $10.00

Dodeka Records tape. Bill & Brenda Sutton's new tape is mix of funny and serious songs. (My personal favorite is We're Only in it for the Money, but I'm a filthy huckster.) Other songs include All Souls Night, This Turn of the Wheel, and MInd, Hands, and Heart.

### Pegasus Award Wiinners Vol 1 $12.00

Love Song Productions' first tape is a collection of some of the winners of OVFF's Pegasus Awards sung by those who wrote them (with 2 exceptions). Songs include: Wind from Rainbow's End, God Lives on Terra, Velveteen, Weekend-Only World, Lightsailor, Witnesses Waltz, Ian the Grim, Return of the King, Uh-huh, Lullaby for a Weary World, Daddy's Little Girl, Winds's Four Quarters, Dawson's Christian, A Boy and his Frog, Temper of Revenge, Hope Eyrie, Do It Yourself, & Harbors. Note that Vol. 2 is promised soon....

### Phil, Philk, & Philched $12.00

VLB Recording in the UK must bear the heavy burden of having published sick and twisted parodist Phil Allcock's tape. If you like Mike Whitaker's The Oak, the Rowan, and the Wild Rose, you must own this tape.

### Programmer and the Elves $12.00

Wail Songs con tape recorded live in 1992 at Arisia, Bosdone, & Lunacon. This tape differs from many con tapes by having a couple of spoken word pieces, including the title cut. It has one of the best versions I've ever heard of Darkness (and I should know...) You also get a nifty, hand-colored cover. Performers include: Helva Peters, Bill & Brenda Sutton, Catherine MacDonald, Jack Carroll, Marc S. Glasser, Sue Knapp, Roberta Rogow, Michael Rubin, Duane Elms, Rennie Levine, Jane Sibley, Virginia Taylor, Gary McGath, and Mitchell & TJ Burnside Clapp.

## WOW! LOOK AT ALL THE NEAT NEW STUFF!!!!

Return of Count Spatula $10.00
That wild and crazy group from Toronto, Vampire's Kitchen, is back with their second tape. Songs include Beelzebub, Blood Lust and Pterodactyls. Vampire's Kitchen includes Evelyn Baker, Stephanie Bedwell-Grime, Edgar LeBel, and Anne Ostrom.

Rogow Rides Again $12.00
Wail Songs studio tape recorded when Roberta was out for the 1993 Worldcon. A sampling of song titles includes: The Klingon Marching Song, The Irish Engineer, Fletcher Christian's Crew and The Man Without a Planet.

Songspinner $10.00
Dodeka Records gives us the first tape by a new filk star. Steve Macdonald has more of a rock orientation than many filkers and I sold this tape to a filk-hater by promising her that he was able to stay on key. You really ought to have this tape. Songs include I Just Love Those Old B Movies, Seducing the Unicorn and Skating on the Strings.

This Heavy Heart CD $16.00 Tape $11.00
Unlikely Publications **CD** and tape from Cynthia McQuillin & friends (Dr. Jane Robinson, Kristoph Klover, Margaret Davis, Kat Krischild, Heather Rose Jones, Deirdre McCarthy). Back liner notes say, "The theme of this collection is self-image, perceptions and relationships, and it is dedicated to every woman who doesn't quite fit into the expectations of our society." Musically, one of the best things Cindy has ever done.

True Lovers Farewell $10.00
Margaret Davis and Kristoph Klover's latest tape is really folk (I think). but so many of you know them from their appearances on filk tapes and at cons I have to include them here. Songs include The Star of County Down, John Barleycorn, Ruby Wine, and Lumps of Plum Pudding.

Wanderlust Tape now available! $10.00 CD $17.00
Sea Fire Productions . Heather Alexander sings folk and filk. Titles include John Barleycorn, Faerie Queene, ContrariDance, Neverland, and others.

Wandersong $11.00
Muisc from Diana Paxson's Westria series--as in the song book of the same name. Performers include Krishtoph Klover & Margaret Davis.

Wheelchair in High Gear $10.00
Miri Records is Midwestern filker/keyboardist Renee Alper. Perhaps best known for her parodies, she does some pretty stuff too. Songs include If I Were a Rich Fan, Natira's Song, and MacSpouse as well as the title cut.

Who Fears the Devil? $10.00
White Tree Productions newest Joe Bethancourt tape. These songs are based on/taken from the Sliver John stories by Manly Wade Wellman. Actually recorded with a silver strung guitar. How good is it? I held the catalog a week so I could include this tape.

Woad Warrior $16.00
Dandelion Digital **CD** recorded live at 1993 Silvercon. Performers include Kathy Mar, Mid-Life Crisis, Duras Sisters, Larry Warner, Julia Ecklar, and Paul Mehle. This is DD's first filk CD--sure to be a collector's item!

## WOW! LOOK AT ALL THE NEAT NEW STUFF!!!!

Harmonicon 1 Songbook $ 2.00
Published by the Midwest Filk Alliance. Most songs have chords; one has music. Punched for 3-ring binder.

Harmonicon 2 & 3 Songbooks $ 3.00 each
Published by the Midwest Filk Alliance. Most songs have have chords; some have music. Punched for 3-ring binder. Note that the Harmonicon books are paged consecutively, i.e., each does not start with p.1.

Pegasus Award Winners $10.00
Published by M.A.S.S. F.I.L.C. Has all the songs on the tape of the same name except Wind's Four Quarters, and more besides. All songs have chords and many have music.

Sysex Dump $13.00
Words and music to Joe Ellis's songs. Everything has words and chords; some have music. This has a really good and useful index. Something few filk publishers seem to understand. (There speaks the librarian....)

Ten Years of Filk $10.00
Speaking of indices.... Published by Glenn Simser, this is a companion to his Taper's Guide to Recorded Filk Music. Where that indexed by title, this one indexes recorded music by performer. This one doesn't have the problematic alphabetization under A, An and The that marred the earlier effort.
